Insurance Agent Report

Permanent Life Insurance

Permanent Life Insurance is designed primarily to provide money (death benefit) to your designated beneficiary when you pass away – guaranteed.

Knights of Columbus Permanent Life Insurance policies have premiums that are guaranteed not to change, so you won't have to worry about any surprise of future cost increases.

The Knights Permanent Life Insurance policies also accrue cash value over time. Dividends when paid, can purchase additional paid-up insurance. Additional paid-up insurance increases your policy's death benefit and cash value. Your policy's cash value can be used as cash, either through a partial loan or a full surrender of the policy, or as collateral. Agents are always available to help with your permanent life insurance policies cash values when needed.

I look forward to serving you with the Knights of Columbus Permanent Whole Life products and all of our other services.

God bless you and your family.
