Tax Time

The focus around this time of year is saving tax money by contributing to an IRA for retirement. And whether you're getting close or whether you're fresh into a career and working life, it's not too early to plan. But many of the folks I talk with have lots of questions:

- > What's the difference between a Traditional IRA and a Roth IRA?
- > Which one is better for my circumstance?
- > How much can I contribute?
- > Can I earn too much to qualify for a Tax Deduction?
- > What if I contribute to a 401K at work? Am I still eligible?
- > What if my wife doesn't work...can she contribute to an IRA?

There are many rules you don't want to run afoul of when it comes to contributing to an IRA and making the right determination about its tax deductibility.

As your Knights of Columbus field agent, I can help. I look forward to serving you with the Knights of Columbus products and services.

God Bless you and your family,
